

Americans Speaking Out to Legalize Marijuana

**~ Legalize T-shirts for Only \$6.00 ~
~ Sold "At Cost" to Spread the Word: Legalize ~**

Our logo represents a sound wave, your own voice saying "Legalize." Marijuana legalization is a moderate, mainstream issue supported by over one hundred million patriotic Americans from all walks of life. But too often we are intimidated into silence by corporate drug testing and Government repression. We must break the drug warriors' monopoly on public discourse and demand the same God-given, Constitutionally protected rights enjoyed by all other Americans.
